Anniversary Dinner For Dr. M'Chesney

DR. W. R. McCHESNEY

Cedarville College and the Xenia Kiwanis Club are jointly sponsoring an anniversary dinner for President-Emeritus W. R. McChesney, celebrating his fifty years of service with the College. This dinner will be held at Geyer's Restaurant, Xenia, Tuesday evening, April 18th, at 6:30 p. m. and of necessity must be restricted to the capacity of the dining room.

Naturally many of his friends who cannot attend would like to express their appreciation of his service to the students to the college, and to the community. We are therefore asking his friends to write their expressions of the love and esteem they bear him. Those letters will be bound

and presented to him at this dinner.

In order to bind these letters properly will you please observe the following rules:

1. All letters should be on letter-size paper, 8½x11 inches.
2. Write on one side of the paper only.
3. Leave a left-hand margin of at least two and one-half inches.
4. Send the letter to President Ira D. Vayhinger, Cedarville College, Cedarville, Ohio, on or before April 10th.

CEDARVILLE COLLEGE NOTES PASSING OF WILLIAM J. ALFORD, SR.

William John Alford, who passed away peacefully in sleep, Sept. 28, '43, friend of many missionary and philanthropic causes, was the son of Rev. and Mrs. John Alford, graduating from Geneva College in 1883, where he worked his way through college. He first entered the insurance field but was drawn into industry. He became interested in the production of hand shovels in Anderson, Ind., and later developed the process of making paperboard from old waste paper. This latter industry took him to the east coast where he developed several such factories. Mr. Alford was a great traveler, having spent much time in Europe and twice circled the globe. His happiest travel feat was his expedition on Safari when he won the entire length of the continent of Africa by train, boat and walking.

At the semi-annual meeting in December, the board of Trustees, faculty and students joined in adopting resolutions expressing their gratitude for the warm and generous friendship of Mr. Alford. The Alford Memorial Gynasium stands on the college campus as a permanent memorial to this life-long friend of Cedarville College.

Great Need For Teachers

An alarm has been sounded to all schools and colleges in view of the great need of teachers to fill positions in both elementary and high schools. So serious has this become that several hundred former teachers have returned to the class room.

Colleges and universities are working overtime to furnish refresher courses and additional training to accommodate this group. Many elementary teachers are planning to take summer school work and advance to the high school field.

Much emphasis has been placed on the patriotic duty of high school graduates to enroll now to prepare themselves to take the places of men and women who are drawn into the war effort.

Provisions have been made whereby these high school graduates can obtain temporary certificates in 15 months and begin teaching in September, 1945. Similar provisions have been made for temporary high school certificates by adding one full calendar year's work to this requirement, or a total of 27 months.

PRACTICE TEACHING

Since facilities for practice teaching are limited in the Summer Session, application for this work must be made not later than June 1. Fee, \$0.00 per credit hour.

RENEWAL OF TEMPORARY CERTIFICATES

Those teaching under temporary elementary certificates this year (1943-44), may upon the request of the superintendent, and upon evidence

of the completion of the required additional training, renew the same.

LIVING EXPENSES LOW

Living expenses are very low at Cedarville. The following is an estimate of the total cost for each session.

Tuition for five weeks -----	\$25.00
